

# Class Agreement Form

1. I understand that dog training and behavior is never guaranteed because we are working with an animal that has their own thoughts and needs.
  - 1.1. Guarantees are a red flag when it comes to training. We can never guarantee the behavior of any animal 100% of the time.
  
2. I understand that I will get out of training what I put into it. Practicing homework and regularly contacting the trainer for help are resources to use.
  - 2.1. The trainer is available through e-mail, text and call.
  
3. If my dog has an accident during class or in the store, I will notify the trainer and ask her to hold my dog while I clean up the accident.
  
4. The store is allowing us to use this community room and work in the aisles. Please be respectful and keep the store clean and be polite. We want to represent ourselves well.
  
5. I understand that payments for class are final and refunds will not be issued.
