

- **Please take note of our policy:**

- "When we accept private appointments or hold a spot in a group class, we turn away other business to honor our commitment to you, as a client. When scheduling an appointment, whether a private lesson or reserving a spot for group classes, we require payment for the service up front. This payment is NONREFUNDABLE.\* Only once payment is made, will your spot be held for your desired date and time. Payment can be made via cash, check or credit card. While we understand that things come up, we require a 24 hour notice for any appointments needing to be cancelled or rescheduled. Otherwise you will be forfeiting that lesson. For appointments, we allow a 10 minute grace period, after which time, if you have not arrived, your lesson will be forfeited. Thank you for understanding."
